Where'd you get Karma? How much did it cost? did you have to make out with someone to get it?

I have 0 Karma. Maybe if I get naked and do a table dance I will get some. Or saving a kitten.

LMAO zebbeed! Karma for you! Food chain...

It really serves no more purpose than a high five, so give em' and get em' just for fun!

FYI, who has the most karma? twiknham currently has 20,000 because she did something REALLY cool for Miss K. You can always add to hers if you want to be obnoxious!

I like 0's and even numbers! But I like monkey wrenches too... and irking twik... and making people face-palm...

Maybe I need a new hobby too. Or just a good dose of Nobody...

Hmmm, I wonder if she will swat me if I add one to twik...
